Product highlights

- **20-station preset tuning**
Provides fast, accurate tuning of up to 10 FM and 10 AM stations of your choice.
- **Automatic tuning**
Automatically searches for and tunes to the next station when the tuning button is pressed.
- **10-key direct access tuning**
Fast, convenient way to access your favorite station. Just key in the Station's frequency and press Enter.
- **Built-in quartz clock**
High-precision clock with digital display lets you keep track of time.
- **Extended playing time (tape playback)**
Innovative, power-saving technology extends battery playing time to 18 hours (2 AA batteries).
- **Blue reverse digital LCD**
Uses innovative reverse LCD technology to give a trendy, eye-catching white-on-blue display.
- **Full auto stop**
Automatically shuts off the cassette deck at the end of playback to avoid overstretching the tape and to extend battery life.
- **Detachable belt clip**
For convenient, hands-free music on the move.
- **High quality finish**
Strong, durable casing, easy-to-operate controls and a very eye-catching design reflect the high quality of this product.
- **Slim, compact design**
High-performance, very compact product that's easy to hold and carry anywhere.
- **Sport stereo headphones**

** Not meant to be immersed in or come into continuous contact with water
